professional summary

First of all, a graduate with a great deal of work experience to carry out a diversity of professional settings. Following graduation, and outside of my studies, I have a large number of skills, including extraordinary levels of communication and flexibility; by this way, I am able to hang out with all type of people whether strict or easygoing. Furthermore, I am a hard-working person and well-adapted and I can ideally be suited to large companies with graduate recruitment programs. Lastly, I am keenly interested in following my dreams, desires and my goals as well to achieve them leading to come true as soon as possible.
